

What's the Good News?

Good News Preschool November 2017

Leaves are falling, leaves are falling . . . Fall is a favorite time of year! During November, we will prepare for Thanksgiving by learning about turkeys, Pilgrims and Native American Indians!

Each class will enjoy a simple celebration on the last class days before Thanksgiving - November 20 and 21. We will provide a special snack so there is no need for you to send in snack on these days!

Additionally, on Monday, November 20, the MWF Class will sing a few songs for our parishioners who attend daily Mass and any parents who are able to stay for just a few minutes after drop off in the morning. After the "songfest" in Doran Hall, the children will return to the classroom and continue their day as usual.

Evaluations have been completed and sent home. If you have concerns or questions after receiving your child's assessment, please contact us! We are happy to talk to you about your child. Please continue to reinforce letters and numbers at home with your child and have them practice cutting with safety scissors.

Some songs you may hear in the car are: "Counting, Counting, oh what fun!", "God Gave Me a Family", and "A Turkey is a Funny Bird". Conversation starters for the car ride home might be: What are you thankful for? What is a blessing? Did you open the counting box today?

Our science in November will include "sink or float" with various objects including acorns, cotton balls and pennies. We will refine our scissor skills by snipping paper strips and cutting coupons.

We pray that you all have a wonderful Thanksgiving holiday spent with loved ones near and far! Be safe if you will be traveling and be calm if you will be having company at your home for the weekend!
