

# WHAT'S THE GOOD NEWS?

## Good News Preschool May 2017

It's hard to believe May is here! As we move into the warmer weather, please be mindful of the shoes the children are wearing. Sandals and flip flops, though comfy and cool, are not the best for running, bike riding and climbing.

We will finish our insect unit and begin to explore the deep blue sea! This seaside exploration unit will include our trip to Breezy Point Park for a fun family day at the beach. The day is designed to be an unstructured, relaxing social experience with opportunities for the children to interact with their friends, hunt for shells and sharks teeth, play in the sand - and maybe even the water! Pack snacks, sunscreen, and all the necessities for a day of fun. We will meet at the beach at 9:30 AM on the day of our class outing. Each child must be accompanied by an adult. Please bring in your money to school ASAP (\$3 for adults and \$2 for children over age 2) in an envelope marked with your name and the number of people in your party - cash only.

Graduation for the MWF Class will be held in Doran Hall on Thursday, June 1 beginning at

5:00PM. This is a family occasion including a potluck dinner, class presentation and graduation ceremony. Look for an email soon with details and a food sign-up.

This month we will finish up the alphabet with Yy and Zz and will be reviewing letters, numbers, shapes and colors! We will be doing end-of-the year evaluations of each child sometime this month.

The end of the school year is always bittersweet for us. We will be ready for a break from the high energy atmosphere of preschool life, but we also must say goodbye to some of these wonderful children whom we have watched blossom over the last year or two! As teachers here at Good News Preschool, we feel very blessed for the gift of spending these precious months with your precious children!

Have a safe and wonderful summer!! May God bless and protect you all!!!
