## SMALL GROUP GUIDE

---

### GATHERING PRAYER

Take a moment to invite the Lord to help you truly see yourself as the Holy Spirit sees you and give you the gift of confidence in His love, goodness, and gentleness.

### SUMMARY

Whatever your vocation is, it can be easy to feel forgotten, unnoticed, unappreciated, or taken for granted. We desire for others to recognize not only our dignity but also our efforts, struggles, stress, and pain. Jesus sees you. Not only does He know all of the successes and failures, but He wants to be with you in every single one of them. From the big stuff to the most minor annoyances, Jesus knows your heart.

### SMALL GROUP GOAL

✿ To resolve together to allow the Lord deeper into our hearts through vulnerability with Him. We will unfold the challenges but also discuss some areas where the Lord desires for us to know we are seen, known, and loved.

### DISCUSSION QUESTIONS

*Open in prayer, inviting the Holy Spirit into your discussion.*

- What stood out to you in today's talk?
- We all desire to belong, yet our wounds and doubts bring out our self-rejection at times. What are some of the things that we as women carry in those heavy jugs up those large hills that never seem to satisfy? What is one area in your life in particular that you want to hand over to the Lord?
- In a world so driven by performance, how can we come to the Lord in confidence as beloved daughters? How can we help each other in this area as women and as sisters in Christ?

*Close in prayer, asking for any special intentions.*

### SUPPLEMENTAL QUESTIONS

- In what ways has the Lord been working in healing for you through this program thus far?
- This idea of being fully seen and fully known is both exciting and terrifying for women. Can you name a time that you felt completely loved by the Lord in your strengths and your faults?
- What is one tidbit from this talk that you would like to take into further prayer and consideration this week?
