

MASTERPIECE of CREATION

SESSION FOUR: Unveiling The Feminine Heart

LISA COTTER

SMALL GROUP GUIDE

GATHERING PRAYER

Ask the Blessed Mother to intercede as the first woman to love Jesus. She is the one with the greatest feminine genius, so we ask her to be our model, sister, friend, and mother as we examine the beauty of the feminine heart.

SUMMARY

We live in a world that desperately needs Jesus. In a particular way, we, as women, are given singular gifts that help the world to see Him. Many Saints, Popes, and philosophers have paved the way to helping us understand the feminine genius. This week, we will celebrate the Lord's design for the gifts He has given and ask how we can use them to bring the Lord to the world.

SMALL GROUP GOAL

✿ To dive into some particular ways God desires for us to use our genius.

DISCUSSION QUESTIONS

Open in prayer, inviting the Holy Spirit into your discussion.

- What stood out to you in today's talk?
- Some of the gifts JP II ascribes to the Feminine Genius are Receptivity, Maternity, Strength, Generosity, Intuition, Sensitivity, and Fidelity. Which of these do you identify with the most and the least, and why?
- Where have you seen Spiritual Motherhood lived out in your own life or the lives of other women?

Close in prayer, asking for any special intentions.

SUPPLEMENTAL QUESTIONS

- How do you see the world, your family, or friends suffering from the lack of acknowledgment of the Feminine Genius?
- What are some strengths of the masculine genius that you could identify as underdeveloped or celebrated in this world?
